Jl. Mawar Blok BA No.6 RT.5/RW.4 Kel.Pondok Jagung Kec. Serpong utara Kota. Tangerang selatan

I am currently 29 years old. I graduated with a bachelor's degree in electrical engineering from Sekolah Tinggi Teknologi Adisutjipto Yogyakarta. I am a person who is always enthusiastic about seeking experience in a career and also has a high willingness to learn something new. With my experience as an engineer on projects and also in industrial automation companies, I hope to make a positive contribution to the company.

Work Experiences

PT. Giesecke & Devrient Indonesia - Tangerang Selatan, Indonesia

Oct 2022 - Present
